Bible Study Guide For The Third Quarter Introduction

Bible Study Guide for All Ages

Third Quarter curriculum and leaders' study guide for reading through the entire Bible in one year. A separate curriculum and study guide will be released for each quarter.

Bible Study Guide for All Ages

"Rest in Christ reviews the principles of finding rest in Jesus Christ. It shows how sitting at the feet of Jesus can bring genuine spiritual, mental, relational, and physical rest"--

Bible Study Guide for All Ages

Thirty years—that's all it took. In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, "We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit." We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. Book jacket.

One Year Bible Challenge, 3rd Quarter

Sit in on a series of conversations about the biggest questions of philosophy, mythology, psychology, history and our contemporary world. Across these wide-ranging discussions, four friends keep coming back to the need for something—a catalyst—to transform human brokenness and answer our deepest longings. With Gennaro as our guide, these questions lead us to the Bible's stories of Jesus and the possibilities that this might be the best Catalyst human knowledge and experience has yet found. "This book addresses the biggest ideas and our biggest human needs for healing, rescue and restoration. It is a unique and passionate contribution to the arguments for why we can and must take Jesus seriously in our world today." — Nathan Brown, author, *Why I Try to Believe: An Experiment in Life, Faith and Stubborn Hope*

This guide into worship, scripture meditation, and prayer contains daily devotionals for the third quarter of 2019 (July 1, 2019 through September 30, 2019). The guide is intended to be used on a daily basis; however, the goal is not to follow the guide without any deviation from its structure. Like a garden trellis, the guide is simply a structure to encourage and support your growth, following your unique path and at your personal rate. This is not a Bible commentary or Bible study, which are both great tools to learn about God. Rather, this guide is designed to help you grow in your relationship with God. On average, most people complete a Daily Rhythm in about 30 minutes, but it can be completed in as little as 10 to 15 minutes, or you can take your time and spend as much as an hour or more each day. The foreword is by Jim Martin, author of "Just Church" (2012, Tyndale Momentum). Future quarterly guides will be published approximately one month before their start date, with forewords written by others skilled in the ways of spiritual formation. Questions about the Daily Rhythm: Who is this written for? Anyone who desires to grow in their love for God and others. Age, gender, spiritual maturity level, and theological persuasion are not important factors. The only important factor is your desire to seek God with all your heart, soul, and mind. Why was it written? Steve grew up attending church and has served in various Christian ministry roles over the years. At age 51 he was diagnosed with a serious heart condition that caused him to seek God with a new and fresh perspective. Up to that point in time, his devotional life would run hot and cold as he tried to set aside time each day to hurry through a few scriptures and offer up prayers from a list. With a desire to live more fully in God's presence and become more pliable to God's promised transforming power, Steve developed—first just for himself, and later for several fellow believers—this Daily Rhythm publication. He wanted a resource that would simply guide him into daily worship, scripture meditation, and prayer. Steve's hope is that this daily guide will help many others grow to know God's presence more deeply. His prayer is that those who follow this guide will, like him, change their devotional times from a guilt-ridden, hurried duty into a joyful adventure of drawing closer to a wonderful, loving heavenly Father. What are the three components of each Daily Rhythm?—Worship: each Daily Rhythm starts with prayer, scripture verses, and a time of worship through music that invites and welcomes God into your presence.—Scripture meditation: each Daily Rhythm contains a Bible passage for you to read from your personal Bible.—Prayer: each Daily Rhythm will guide you through the Lord's Prayer and encourage you to pray for people and situations as the Holy Spirit leads. Also, you will be encouraged to journal your thoughts and prayers each day. How are the daily Bible passages selected? The primary Bible passage of each Daily Rhythm comes directly from the Revised Common Lectionary (RCL). The RCL is a three-year reading plan that covers the entire Bible. Each week's readings center on an event or teaching of Jesus that is read on Sunday from one of the Gospels. On Monday, you will read a psalm; on Tuesday, an Old Testament passage; and on Wednesday, another Gospel passage. Each of those readings supports the prior Sunday's reading. Thursday and Friday's passages come from the Old Testament, and Saturday's passage is taken from a New Testament letter. These three passages all lead into the next Sunday's Gospel passage. Which translation of the Bible is used? The short, printed Old and New Testament passages for each day are taken from the New International Version (NIV). The primary passage is purposely not printed so that you can look it up and read it from your personal Bible.

The Book of Acts

The Rose Garden and the Ring is the heartfelt account of two women sharing their very real emotions and the faith-filled journey to healing after a spousal affair. Daily Rhythm (July - September)

I am encouraged by the author's appeal, from the beginning to the end of his book, for readers to be aware of their personal relationship with Christ. Dr. Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself. That being true for the past, I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way. —Rhoda Wills, Retired Teacher
Dr. Busby's *The Battle for Your Heart* is not only a good read but an excellent book to add to your library! Whether you've studied the book of Revelation for many years or have never given it your personal study, this thought-provoking, verse-by-verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big-picture dimension to this last book of the Bible. I was blessed! —Judi Seeders, Retired from Review and Herald Publishing Association
A must-read for every Adventist who is looking for the soon return of Jesus! You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior. *The Battle for Your Heart* is an excellent study for any individual, for family worship, and small group study. --Gail V. Lane, Head Deaconess, Retired Business Owner
I am amazed by this book! Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear. *The Battle for Your Heart* takes the reader through the books of Revelation, Daniel, and Ezekiel, along with supportive information. I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep, everlasting love for us shining through. --Larry Sharon, Church Elder

Faith in the Midst ... Study Guide

Although this workbook was originally planned for high school Bible classes meeting every day for a semester, it has found a wider use by various age groups in churches and colleges and by individuals desiring direction in their personal Bible study. The workbook was first produced as a method of giving notes and assignment questions quickly, thereby leaving more valuable classroom time for explanations, discussions, and student participation. The workbook may be placed in a regulation size binder. Separate pages can be handed in when completed. Other notes, assigned papers, and themes can be placed throughout the notebook. This is in no sense a textbook. It is hoped that no one will make the completion of the workbook a goal in itself but that the questions and notes may stimulate and guide each student in searching and knowing the Bible. The questions do not cover all the important points in any chapter. It is hoped, however, in the course of the study that all the main New Testament teachings will be brought out. Most schools give about half the semester to the life of Christ in the gospels and the rest of the semester to Acts and the epistles. Three or four chapters a day are usually assigned. In order to cover all the main incidents in the life of Christ special emphasis has been chosen in each gospel. Studying Mark first, in four or five lessons, as a short survey of Christ's life has proved a good start for students unfamiliar with the Bible. The main miracles and chief characters then become familiar. Matthew is more easily understood after having had this simple introduction to Christ through Mark. Matthew is studied with emphasis on the teachings of Christ. Students should become familiar with all unfamiliar terms. Places mentioned should be located on the map. In Luke the parables and new stories are especially noted. The more intimate revelation of Jesus given in John's gospel should prove a personal blessing to each student. Students should become familiar with the content of the

simple chronological outline of Christ's life as drawn from the four gospels that has been included in this edition. The Acts and the epistles are taken in the order they appear in the Bible. The missionary message in Acts and the Christian life teachings in the epistles have been kept in mind. Since time prohibits the complete study of each epistle, a limited number of chapters have been selected for study. Several teachers assign the Revelation as parallel reading giving a brief preview at the time of the assignment and a discussion of the book after it has been read. It is my prayer that all who use this book will be guided by it into a deeper, more personal, knowledge of the living Word, the Lord Jesus Christ, as well as the written Word, the Bible. It is the teacher's wonderful privilege to bring from the Scripture its vital, interesting message for personal living. Students sometimes come from a Bible course saying, "Yes, we learn the facts all right, but that Book is too dull and boring for me." That teacher had failed to take advantage of a most wonderful privilege. The Book that was written to give men life should be taught in a way that presents real life to men. May students come from your class with the appreciation expressed in these comments: "Bible is the most interesting course I've ever had." "I surely have learned to love the Bible. I read it every day, now." "Studying Bible has not only cleared up questions that have always puzzled me but it has helped me so much in my everyday living." "It was through that Bible course that I became a Christian. I wouldn't have missed it for anything."

Only God can satisfy the hungry soul. In this five-session video Bible study, Will Graham, the grandson of renowned preacher Billy Graham, shares stories and teachings from his life about what it means to be redeemed in Christ. As Will has traveled the globe, he has observed that deep inside each of our souls, we are all hungering for something. Some of us try to satisfy that need by throwing ourselves into relationships, jobs, or hobbies. Some try to fill the hunger by engaging in destructive vices. Others pursue good deeds, social work, or donating money to worthy causes. But as the psalmist writes, only God "satisfies the longing soul, and fills the hungry soul with goodness" (Psalm 107:9 NKJV). As we experience this redemption and walk in God's ways, He leads us to a new understanding of His love, helps us to let go of our past, gives us a new heart and outlook on our trials, and opens our eyes to see the eternal needs of those around us. The Redeemed Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: A New Understanding of God's Love A New Sense of Freedom from the Past A New Heart and Purpose A New Outlook on Difficulties A New Longing to Share Christ Designed for use with the Redeemed Video Study (9780310099796) sold separately. Digital and streaming video also available.
