West Bengal Human Development Report, 2004

Mudraraksasa Is A Historical Play Of The Nataka Type In Seven Acts Written By Vishakadatta In 6Th Century A.D., In Which Chanakya, The Minister Of King Chandragupta Of Pataliputra, Wins Over Rakshasa, The Minister Of The Nandas To The Side Of Chandragupta. It Is An Unique Play In Many Respects. The Play Is Based On A Political Theme And It Bears Testimony To The Consummate Skill Of Visakhadatta As A Dramatist. It Does Not Present Any Of The Recognized Dramatic Sentiments (Rasa), But Introduces A New, Hitherto Unrecognized Sentiment Of Intense Rivalry Between Two Sharp-Witted Ministers Dedicated To The Service Of Their Respective Kings.

Planned Economy for India

In view of their crucial importance to military success, mobilization and logistics deserve thorough attention from historians. Although the Army's ability to mobilize has improved in recent years, much remains to be done, and the Korean War experience can provide valuable insights. Planners involved in the attempt to perfect current automated manpower mobilization systems need to prepare for possible strains and even collapse of those systems. In an emergency, we may have to rely on manual methods such as those that saw us through the Korean War. Industrial preparedness also has received increased emphasis and support in the last decade. But in this area, as well, there is much to be learned from the Korean War's partial mobilization. Finally, we can study with profit the problems encountered in supplying the large forces that we fielded in Korea. Planners who deal with theater logistics could benefit from detailed analysis, solidly grounded in original sources, of those problems and the solutions devised for them during the war. This monograph should provide impetus to examine Korean War mobilization and logistics. Through a discussion of the available literature, the author presents an overview of the most pertinent issues addressed thus far. He then suggests how future investigators might elaborate on particular points, and offers topics that warrant further research. WILLIAM A. STOFFT Brigadier General, USA Chief of Military History

Allogeneic Stem Cell Transplantation

Translated and annotated by orientalist Edward Sachau (1845-1930), this 1887-8 two-volume work is the account by Muslim polymath and traveller Alberuni (973-1048) of Indian political and social life in the medieval period. Sachau published the manuscript in Arabic in 1885-6, at the same time working on an English translation. Alberuni, born in Chorasmia, south of the Aral Sea, was one of the leading scholars of his day. He accompanied the Afghan ruler Mahmud on his invasion of India in the early eleventh century, and remained there for thirteen years, making a detailed study of Indian life and culture, and in particular studying the Hindu religion. Alberuni claims that his work is not polemical in nature, but a simple historical record of facts, and he commends the learning of the Hindus in philosophy, mathematics and astronomy. Volume 1 discusses Hindu beliefs, the caste system and the calendar.

A Grammar of the Santhal Language

The Bad Bug was created from the materials assembled at the FDA website of the same name. This handbook provides basic facts regarding foodborne pathogenic microorganisms and natural toxins. It brings together in one place information from the Food & Drug Administration, the Centers for Disease Control & Prevention, the USDA Food Safety Inspection Service, and the National Institutes of Health.

26 Years Chapterwise Solved Questions UPSC IAS Pre General Studies Paper I for 2021 Exam

Perhaps the most lively and exuberant of Kalidasa's extant works, Ritusamharam is a glorious ode to nature's bounty and the enduring emotional response it evokes in mankind as a whole. Recounted as a celebration of the passing seasons, it is a feast for the senses, capturing the myriad facets of love and longing in a kaleidoscope of sumptuous imagery: the mischievous moonlight that, like a pining lover, steals glances at sleeping maidens; the monsoon-bloated rivers that rush to the sea with a lustful urgency; the flame of lovemaking that is kindled anew at the onset of winter; the heady scent of mango blossoms that makes even the most unyielding of hearts quiver. Even animals, big and small, are swept into the playful pattern of the great poet's lyrical homage. A.N.D. Haksar's supple and spirited translation is accompanied by an absorbing introduction and notes that shed further light on this extraordinary work.

New Lamps for Old
